SERQ. STREIFF BEEN

Mr. and Mrs. Peter Streiff. Hayti, Mo.

Dear Mother and Father, and All:

course I know how you feel. are not in the trenches now, but we ing all I can. have been-say, it is real sport, but I missed my frog legs this spring. we buried three of the boys-that but I'll try to get there for the turwas no sport; they were not from keys and ducks for Christmas. Company B, but I knew all three of Hello kids; are you all being good? them. It certainly was a sight. I How are you enjoying the vacation?

but a small scratch.

The Captain was relieved of his be good kiddles. will be made our next Captain.

hours of night, now.

as any mule could carry.

I write to mama, as I mean my let- have a great time. one day, and I had to get some heav- is another. ier underwear. Hurry over and Well, I must close this epistle -say Pete; it's some sport; of course much love to all. a kind of ticklish sport, but when one of those Jerry shrapnel kills one if the officers would let you, why

be time enough for you if it's not IN TRENCHES 3 TIMES over by then, but I think we will whip them before next spring for Somewhere in France. you have no idea how many Sammies July 2, 1918, are over here; the Yakhi makes you feel as the you were in America.

France is full of American soldiers from one end of the country to I received three letters from you the other, and I've been over all of today and I certainly was glad to it. Dad, I have not been to your hear from you and glad to know home yet, but very near it, and let that you are not worrying much, of me tell you that you were born in a pretty country, and very soon you Well mama, I have seen a little can say "my home is in France," war and realize what war is. We for it will be. I am helping and do-

cannot say where we buried them. Glad school is out-I know how I but it was not for from papa's home. used to be glad to slip away and go Capt. Roberts was only a few feet in swimming and to pull shoes and away from one of the Sergeants whe stockings-say, isn't it real sport? was killed, and a small piece of Of course it's no fun when mama shrapnel hit him on his hand making catches you when you have been in swimming or cut your big toe. Well,

Smith is now in command of Co. B. day; we are back for a rest, and re- 0 April, and I have my pockets full of Say mama, I am having the time sou's and franks and one thing or of my life over here with the French another. Say, when you've got \$20 girls, but there's none like the good here you are rich. And, this French old U.S. A. girls. It is a shame wine is great and is making me as the way these girls over here work rosy cheeked as you were when I -why they work from daylight un- left home. O, say! tomorrow is the til dark, and we only have three Fourth and we are going to have the greatest celebration that France has I saw a girl in the field today ever known. My, I wish we were Kennett Sunday, awaiting the com- her mother. She was accompanied not worry so much, only write regucarrying as much hay on her back in the trenches -I'd rather celebrate there. I know I'd go over Well, dear sister. Peggy, don't and bring back a few Jerry's and day and Sunday at Cape Girardeau and Mrs. John Gaines, these two expect to return home in about 18 candidates. think I have forgotten you, because Fritz's; anyhow, we are going to

ters to be to all of you, so don't get Well, Mumsie, dearest, don't you offended by me not writing, and worry about your John boy, for he's in Virginia for special duty. He Dewey is on the Great Lakes, in the to pieces isn't it. Wish you would Stubblefield. then—we are very busy all the time. a man now and can well take care had been honorably discharged. Say Peggy, this game of hunting of himself-of course would like to Huns is great sport. I think I can be petted and loved a little—but daughter, Miss Cora Mae, and the ed Saturday and Earl Monday. get my share and part of someone this is not a time for love. I don't Misses Nannie and Sadie Mitchell, Carl Patterson came up Saturday Hunter, from Kennett last Sunday else's share. Well Peggy, dearest, think I can forget how tho' for we motored over from Hayti Tuesday write often. Hello, Pete, old boy change towns often and every time How are you? Still working hard we change I find a new Mademoithe last few days—it snowed here ica; nothing doing, however, as there Eachus, and family

you can go with me. I think we go now, hoping I can get time to write back in a few days. Hunting Huns, this much next time. I close with WILFLEY SAYS HE HAS
